

This request was assembled from site notes. Marks in the addendum on page 3 take priority.

GLOBAL: CFR Guayaquil, Ecuador | Ship no later than 20 Dec 2026

Payment: 15% advance; 85% against scanned B/L. Seaworthy export packing.

**SECTION A - HOT ROLLED COILS (ASTM A1011 CS Type B)**

Common: uncoiled, mill edge, coil ID 508 mm, max coil weight 12 MT

A-01 0.85 x 1250 mm 300 MT

A-02 1.20 x 1500 mm 450 MT

Section total shown by buyer: 750 MT

**SECTION B - PLATES (EN 10025-2 / S355JR)**

B-01 8 x 1500 x 6000 mm 120 MT

B-02 10 x 2000 x 12000 mm 200 MT [see page 3 correction]

B-03 16 x 2500 x 12000 mm 95 MT

Plate condition: as rolled; EN 10029 Class B; 3.1 certificates.

CONTINUATION - quantities are not totals unless the word TOTAL is printed.

### **SECTION C - STRUCTURAL PROFILES**

Common grade for C-01/C-02: S275JR, EN 10025-2, black, 6 m bundles unless stated

|      |                                |                                    |
|------|--------------------------------|------------------------------------|
| C-01 | UPN 100 x 6000 mm              | 100 PCS                            |
| C-02 | UPN 160 x 12000 mm             | 40 PCS (12 m overrides shared 6 m) |
| C-03 | Equal angle L 50 x 50 x 5 x 6M | 180 PCS grade S235JR               |

### **SECTION D - SEAMLESS PIPE / ASTM A106 GR B**

Black, bevelled, varnished; ASME B36.10; hydro test report required

|      |                                    |        |
|------|------------------------------------|--------|
| D-01 | OD 114.3 x wall 6.02 x 12000 mm    | 80 PCS |
| D-02 | OD 168.3 x WT 7.11 x 6M            | 60 PCS |
| D-03 | OD 219.1 x WT 8.18 x random 10-12M | 25 PCS |

Handwritten margin note: do not convert PCS to tons.

**FINAL CORRECTIONS. These replace matching line references on earlier pages.**

B-02 quantity is 20 MT (twenty), NOT 200 MT. Dimensions remain 10 x 2000 x 12000.

A-02 width is 1450 mm, NOT 1500 mm. Thickness and quantity stay 1.20 / 450 MT.

D-02 length is 11.8 metres fixed, NOT 6M. Quantity stays 60 pcs.

**ADD TWO ITEMS:**

E-01 Flat bar 80 wide x 10 thick x 6000 mm, S275JR / EN10025-2, 2.5 MT

E-02 Round bar diameter 55 x 6M, C45 / EN10083-2, 3.0 MT

Buyer typed grand total: 1,340 MT. This total is inconsistent after corrections and mixes PCS lines; keep detail quantities as written and flag the total discrepancy.

Commercial terms from page 1 remain unchanged.
